## Australian Approaches to Innovation and Transitioning to a Low Carbon Economy: Lessons for Quebec

Monday, March 27<sup>th</sup> 2017 | 4:00 to 5:00 pm

@ HEC Montréal – Room Quebecor  
3000, Côte-Sainte-Catherine Road (1<sup>st</sup> Floor; Yellow Sector)  
Montreal |  Université de Montréal

### Guest Speakers

**Andrew Pickford**, Adjunct Research Fellow, University of Western Australia

**Mark Stickells**, Director of Business Development, University of Western Australia

**Summary** | Join Mark Stickells and Andrew Pickford as they talk about how Australian business leaders, policy makers and researchers navigate the transition to a low carbon economy. Mark will also discuss the 2016 Innovation: State of Play study which he led that drew on interviews with leaders of global mining. State of Play is a longitudinal study of innovation strategy across the world's leading mining companies.
